

# Sweet smell of success

**FUNNY** women Jo Brand and Sharon Horgan got some giggles as they accepted awards at the Comedy Women in Print Prize. "It's an absolute joy to be in a room with this many people that still smells good. That's women for you," Horgan quipped. At @sohoplace, Paul Mescal presented the prize for Best Actress to his Streetcar Named Desire co-star Patsy Ferran at the Critics' Circle Theatre Awards, while Lizzie Annis scooped a newcomer award. The BBC's Samira Ahmed attended. Elsewhere, Sheerluxe editor Charlotte Collins and dancer Eric Underwood enjoyed an Ascot preview dinner at 34 Mayfair.
